

A group of five children are gathered around a white table, engaged in a large-scale art project. They are painting a mural on a large sheet of paper or fabric that is laid out on the table. The mural features a blue background with yellow and white patterns, possibly representing a night sky or a body of water. The children are using brushes and paint containers to apply the colors. They are all wearing dark blue aprons with white trim. The background shows a green wall and a window with a grid pattern. There are also some posters or drawings on the wall behind them.
